Annual Poppy Sales Will Aid Disabled Vets

Poppy Days will be observed in Albany and throughout most of the nation on May 28 and May 29, the Friday and Saturday preceding Memorial Day, it was announced by Mrs. Edna Johnson, poppy chairman of the Albany Unit No. 292, American Legion Auxiliary.

On these days, it is hoped that all Albany citizens will participate in this memorial in honor of the dead of World Wars one and two and the Korean Conflict, by wearing a veteran made memorial poppy. The crepe paper poppies, made by disabled veterans of the two wars and Korean Conflict, will be offered to the public in exchange for any contributions which shall be allocated to the disabled veterans, and needy children of the veterans.

As in the past years, the American Legion Auxiliary will supply the much needed volunteer workers with the assistance of their junior members.

The Memorial Poppy will be replicas of the wild poppies which grew between the crosses, row on row in World War I battle cemeteries in France and Flanders, thus becoming the memorial flower for America's war dead.

'I'm a Niner' Drive Begins For Juniors

Many surveys have been made to determine how much time children spend watching television. In some cases it has been reported that average children will spend as much time on television as in school.

A recent survey of one of the Albany primary schools revealed that the average child spent only 14 minutes more in school per week than he spent viewing television, reading comic books and other printed matter combined. Of this time, 56 per cent was spent on television, according to a survey made by Charles Reed, local school principal and chairman of the Albany Channel 9 Committee.

In view of this extreme amount of time being spent on television, it behooves parents to give serious consideration to the type of programs to be offered by KQED—Channel 9, the Bay Area's new educational-non-commercial station.

Following two weekend previews over the new station and another scheduled for 8 o'clock tonight, a junior membership drive is now in progress along with senior memberships for adults and organizations.

Junior memberships in the Bay Area Educational Television Association are \$1 per year and entitles the holder to a "I'm a Niner" button to indicate that he is a sponsor of improved television offerings, according to Mrs. Virginia Lee McCoy, membership chairman.

Membership buttons may be obtained direct from Station KQED, 165 Post St., San Francisco, by sending the \$1 fee and a self-addressed envelope, or in Albany during the weekday hours of 3 to 5:30 p.m. and Saturday 11 a.m. to 3 p.m. from the following committee members: Mrs. McCoy, 944 Ramona Ave.; Mrs. Will Betten, 605 Carmel Ave.; and Mrs. Charlotte Kollenbaum, 823 Madison St.

The Albany committee also issued a reminder to parents that they can join BAETA for \$10 a year, or about 83 cents a month. With junior memberships now available, it is hoped that many families will join—or let their children become members.

Refugee Who Lived 10 Years Under Nazis, Reds to Speak Here May 27

John Rees, a Lithuanian refugee who spent nearly 10 years under the yoke of first the conquering armies of Russia and then the invading Nazis, will tell the gripping story of his escape and his gratitude to the United States in an address here Thursday evening, May 27.

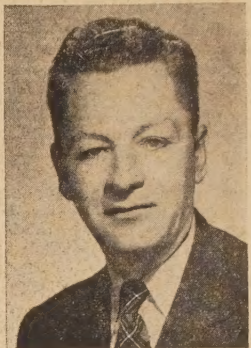

Rees will relate his first hand experiences of living under the terrorist rule of the Nazis and Communists at 8 p.m. at the Veterans Memorial Building, Portland and Ramona Aves., under sponsorship of Albany Post No. 292, American Legion.

In words and thought, Rees presents an emotional appeal for "an America united against the world-conquering program of Communism."

The Albany High School Orchestra will open the program with a concert under the direction of Ernest Douglas.

The Albany City Council, Board of Education, service clubs, PTA's and churches have joined with the Legion in urging attendance at this outstanding program which is open to the public without charge.

Rees, who makes his home in Los Angeles, has adopted the anglicized name for convenience rather than retain his Lithuanian name of Vladas Hriskevicius. He fled to Russia from his native land during World War I, going next to Finland. He returned to his mother country in 1920 where he studied and taught

JOHN REES

Intelligence service in Germany before emigrating to America with his family in 1949.

Rees will speak before an Albany High School assembly at 1 p.m. on the same day.

Services Set Today For Miss Goularte

Last rites will be held today for Miss Hazel C. Goularte, who died Tuesday at home, 1505 Albany Terrace, after a lengthy illness. She was 41.

A native of Newark, Calif., Miss Goularte has made her home in Albany for the past 10 years. She is survived by her mother, Mrs. Maria D. Goularte of the Albany Terrace address; two sisters, Mrs. Florence Glasson and Mrs. Mary Costa; a brother, Manuel G. Goularte of Albany, and she was the aunt of Helen M. Costa.

Services will be held at 8:30 a.m. at the Ellis-Olson Mortuary, 727 San Pablo Ave., followed by a requiem mass at St. Ambrose Catholic Church at 9 a.m. Committal will follow at St. Joseph's Cemetery.

High School Band Rated 'Superior'

The Albany High School Band was awarded a rating of "superior" at the recent Northern California Band and Orchestra Festival held at San Francisco State College. This is the highest mark given and is awarded only to outstanding school musical organizations.

The Albany Band, directed by Ernest Douglas, received very favorable comment from the adjudicators for its "spirit, taste and ensemble playing."

Six soloists also represented Albany at the festival. Trumpeter Laurie McGaw, oboist John Zuernier and pianist Lee Ann Stallone received "superior" ratings, while violinist Louise Holstein and pianist Darlene Fornengo were marked "Excellent." Flutist Ellen Henry was awarded a "good" rating.

VFW to Show Films Of 'Operation Ivy'

"Operation Ivy," an outstanding movie on the H-Bomb and other films and a lecture on Civil Defense will be presented by Albany Post No. 2658 on Tuesday, June 1, 8 p.m. at the Veterans Memorial Building.

The program is being presented in cooperation with the Civil Defense Administration, Region 3 of Berkeley and is open to the public without charge.

Commander Richard G. Glotch today urged all to attend the special program which will present an accurate forecast of what could happen in case of an atomic or other attack upon the Bay Area.

Gaeta Heads Local Civil Service Board

G. D. Gaeta, local realtor and building contractor of 810 Evelyn Ave. today has been elected chairman of the Albany Civil Service Board. He was named to succeed Earl Sorensen at a meeting held last Thursday evening at the City Hall.

George Vila, of 836 Polk St., was elected vice-chairman.

The board also announced that five candidates have passed recent examinations for patrolman-clerk in the Police Department and will be placed on the eligible list for future vacancies.

They are Paul J. Fracoli, Hayward; Philip D. Elliott, Berkeley; Gerald H. Foster, Oakland; Richard L. Bakker, Berkeley, and Martin M. Best Jr., Berkeley.

Notice to Vets

Due to the fact that Memorial Day will be observed on Monday, May 31st, veterans may apply for tax exemption to and including Tuesday, June 1st, 1954.

Veterans who fail to file before that date will have waived their right to exemption for the 1954-55 fiscal year.

MYRTLE J. McLEAN, City Clerk.

HAM DINNER TONIGHT

The Albany Community Church is serving another of its famous ham dinners from 5:30 to 7 o'clock tonight in the church social hall, Marin and Stannage Ave. Dinners are \$1.50 for adults and 75 cents for children.

City Council to Protest Key System Cut on 'G' Line

The Albany City Council Monday night approved a resolution opposing Key System's proposed cut in service on the "G" bus line which operates between Solano Ave and San Francisco.

And at the same meeting Councilwoman Mrs. Kathie Zahn resigned from the city's transportation committee in protest against the means by which the Council opposed the curtailment of bus service.

Mrs. Zahn charged that she would personally "take on" the State Public Utilities Commission to find out who advised City Attorney Robert J. Foley "that a Council-adopted resolution would be sufficient to protest the service cut."

Key System notified the Council last week that direct service on the "G" line would be suspended after 8:15 a.m. and offer one-way commute service from San Francisco between 3:50 and 6:30 p.m., effective June 1. At a special meeting last Thursday evening the Council instructed the city attorney to file

Proclamation

WHEREAS, May 28th and 29th have been designated as the proper days on which all the residents of the City of Albany may pay homage to those gallant Americans who were disabled while in the service of their beloved Nation, and

WHEREAS, a public sale of poppies will be held on May 28th and 29th, 1954, in order that the residents of Albany may show their appreciation to those heroic men and women who are unable to return to their prewar activities because of injuries received in the defense of their country, and

WHEREAS, in the past years Poppy Days have been an outstanding success because of the gracious and liberal participation of the citizens of Albany,

NOW, THEREFORE, as Mayor of the City of Albany, I proclaim May 28th and 29th, 1954 as Poppy Days, and urge all people within the City of Albany to buy poppies and in this way demonstrate their affection, loyalty and thanks to those who are still suffering from the devastation of war.

LEWIS M. HOWELL, Mayor, City of Albany.

HERRICK MEMORIAL HOSPITAL will be able to accommodate over 2000 more in-patients each year when its immediate building plan, to start this summer, is completed. The Herrick Building Fund Committee is currently conducting a fund drive for \$300,000 which must be raised in the community by May 24. The great impetus to the Herrick fund drive is a Federal grant

of \$150,000, which will be granted only if the \$300,000 is raised by May 24. Some \$125,000 donated by friends over the past few years is now available for immediate use. The new \$550,000 expansion program will include not only the 5th floor Psychiatric Unit, but also the long-planned 5-story William Walter Reich Memorial Wing.

ALBANY SOROPTIMIST

Albany Soroptimists were served a delightful luncheon at their Wednesday meeting by the Senior Class in homemaking at Albany High School. "Cottage" A big bouquet of applause was given the group who prepared and served such a wonderful lunch. The tables were decorated with wooden numeral "9s" decorated with flowers to denote the ninth anniversary of the formation of the Soroptimist Club of Albany. Many thanks girls we really enjoyed it.

The sum of \$90 was donated for two campships for deserving Albany youngsters.

The Ways and Means Committee of the Albany Soroptimists with the 100 per cent participation of the club are going all out for an election day and raising program to provide a meeting place for Albany's Senior Citizens. With the help of other clubs in the area it is hoped to purchase property that will be large enough to fill the needs of the older-aged group whose present membership is reaching 50 members. At the present time there is not a meeting place in Albany large enough to accommodate this number.

The first effort in this direction will be on Election Day, June 8 from 7 a.m. until 7 p.m. and will be called Election Day Coffee Break. Coffee, doughnuts and Danish pastries will be served during the morning hours. Tarts, cookies, cake and coffee during the afternoon and evening. Tentative plans are set up to hold Coffee Break at the Recreation Center. Definite announcement will be made later. It is hoped that all Albany citizens will respond to this worthwhile cause and pay a visit to the Recreation Center for a Coffee Break on June 8.

Next Wednesday's meeting of the Soroptimist Club will be held at noon at The Roberta. Election of officers for the coming year will be the business at hand with President Miriam Gilsenan, conducting the meeting.

Pre-School Nursery Recruiting To

"Hi, mothers of Albany, I'm here to tell you of a wonderful place where Mommy takes me to play. It's called Albany Preschool at 850 Masonic Ave. We have large and small trucks, wagons, big blocks and slides and a jungle gym - - and so many toys. See, you can have your pick.

When we come to school, the director, Mrs. Curran, checks us to see that we don't have colds or rashes. Then we go out in the yard to play. That's what I like - - to play with the other boys and girls. We have four mothers who see that we don't get hurt and to help us when we need them. Then it's pick-up time and we go inside and have juice and crackers. We can paint at the easel or color or play with the leg boards. Then we have a rest time and sometimes I go to sleep, but it's just a little nap. When I wake up, I'm ready to go out to play. Some days we have stories, or finger painting or sometimes I bring a record and we all listen to it.

Then there's Mommy who takes me home. One of the things she helps me with my jacket and to Mommy, for my hug. Then Mrs. Curran "Goodbye!" I know see her tomorrow and we build a house with the blocks, train or an airplane.

If you would like to play with my playmates, ask your mother to call LAnd. 5-5704 or go to Mrs. Curran at 850 Masonic and you too can be a preschool just like me. My Mommy says aren't any children on the list so tell your Mommy to sign you up."

**True Adventure Books Among
New Arrivals at City Library**

That truth is stranger than fiction... and fact more inspiring than fancy can well be proved by this selection of true-life adventures now available at the Albany Library.

Yankee Photographer, by George Hill, relates the thrills, humor and tragedy of the author's 25 years as a newspaper photographer for Wide World Photos. He was the first person to photograph a football game from the air, and again, he waded through molasses when 2 million tons exploded in Boston, to photograph the sticky tidal wave which engulfed buildings and men.

Where The Strange Roads Go Down, by Mary and George del Villar, tells the story of two greenhorn New Yorkers' 750-mile hike across the rivers, deserts, mountains and jungles of Mexico. The three-month trek with a donkey, old clothes and some odd pots and pans took them to some of the remotest of Mexico's byways.

Gas and electricity
are cheap in
California

The Hamptons, newcomers to California, were pleased to discover that all their appliances cost less to operate here.

Their P.G. and E. bill in one month was \$8.41. Where they used to live, the same amount of gas and electricity would cost \$10.01.

Why not take full advantage of California's low rates for gas and electricity—by putting the money you save into more timesaving, work-saving appliances. Enjoy better living for yourself and your family!

"My big new refrigerator-freezer does double-duty for just 84¢ a month!"

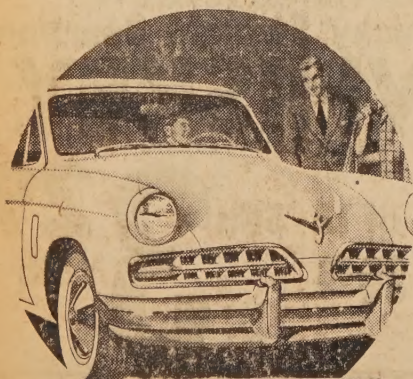

says Mrs. Norman Hampton, 868 Taber Avenue, Yuba City, shown here with her daughter.

"I was really surprised when I found out how little it costs to run my wonderful new refrigerator-freezer combination. Imagine running a big refrigerator with all the new features like moist cold and automatic defrosting plus the spacious food freezer—for just 84 cents a month! And the rest of our appliances are just as inexpensive to operate."

WHICH ONE DO YOU WANT?

You can have your dream house—this easy way!

A dream? Not at all. Thousands of people with modest incomes have been able to save the down payment, or the whole price, of the home of their dreams—because they invested in U. S. Savings Bonds on the Payroll Savings Plan where they work.

You, too, can accumulate enough money for the down payment on a home. Or enough for your children's college education or a retirement income. And by saving only a few dollars a week, too.

The answer is that you save systematically on the Payroll Savings Plan. All you have to do is tell your pay office how much you've decided to save each payday (it

can be as little as a couple of dollars). After that your money is saved for you, before you get your salary. Then each time enough has accumulated, it is invested in a Bond, and the Bond turned over to you.

And remember—your U. S. Savings Bonds now will bring you an average of 4% interest, compounded semiannually, for 19 years and 8 months. That's why the money you put into Bonds now grows to such a surprisingly big sum.

Why don't you start—today? Sign, where you work, for the Payroll Savings Plan. Or, if you're self-employed, join the Bond-A-Month Plan, at your bank.

The U. S. Government does not pay for this advertisement. The Treasury Department thanks for their patriotic donation the Advertising Council and

The sixth grade children of Room 36, Cornell School, will hold a Hawaiian Luau at Memorial Park this Saturday at 4 p.m.

John Kai and his mother, of San Lorenzo, will prepare and serve the meal. Kai's home was formerly in Hilo, Hawaii, and the menu prepared by these real Hawaiians will consist of roast pig "hot from the imu," chicken cooked in coconut milk, sweet potatoes, lomi-lomi salmon (salad), haupia (Hawaiian coconut pudding); fresh pineapple and bananas.

The children of Miss Sconberg's class planned this luau last October when the class was conducting a study about Hawaii in Social Studies. They decided, however, to have it in the spring, when the days were longer and the weather more certain.

Besides the authentic Hawaiian food, music and dancing will be furnished by Kai at this private luau for sixth grade children and their parents and guests.

Ford's new 130-h.p. Y-block V-8 is the most modern in the automobile industry . . . the only V-8 in the low-price field! And Ford's 115-h.p. I-block Six is the industry's newest Six. Both of these engines give you the smoothest, savingest performance you've ever experienced.

You'll see more Fords parked in front of the finest homes and country clubs than any other car in its field. One reason is that many people who have owned the costliest cars realize that Ford offers the same beauty, quality and distinction—and for a far more practical price.

Ford is unsurpassed in riding comfort or ease of handling. A big reason is Ford's new Ball-Joint Front Suspension . . . which allows more total up and down front wheel travel for a smoother ride . . . keeps front wheels in line longer . . . so handling stays easy longer.

Surveys show Ford cars return more of their original cost when they are sold than any competitive make. So a Ford car costs you less to own.

Over the latest seven-month period covered by available figures, Ford has been the nation's best seller. And that's because Ford has proved that it offers the most . . . in engineering advancements—in trend-setting styling—in value! Ford is America's best seller because it's America's best buy!

Excellent Value!

OUR latest listing is a compact, cozy, 3 bedroom MacGregor home on Carmel Ave. near Albany Park, plus a 10x20 foot workshop, patio and barbecue. All this at a price of just \$12,250 makes for one of the better buys. It's neat and clean too!

And Then . . .

WE'VE a very large 6 1/2 room 3 bedroom home with 2 extra finished rooms in basement near Albany Park, in lovely condition. This is a fine home in a high quality neighborhood. If you can qualify for a GI loan, this may be purchased for 5% down, subject to final appraisal—why not take advantage of this GI 4 1/2% money?

On the Other Hand . . .

IF ITS a 5 room home you desire, we've a newly decorated and modernized stucco home on large level lot, Ramona Ave., near Marin School. This can be financed for vets or non-vets with reasonably low down payment. It's vacant and ready to move into.

In Conclusion

IF YOU'RE renting and would rather be acquiring an equity, here is a small, neat 3 room home on Masonic, beautiful condition, a minimum of yard to care for, although ample for the home, plus a basement workshop. This is only \$9950, and can be handled with \$1500 down.

P.S.

WE HAVE several private parties with money to lend on real estate. In particular, \$6000 to lend on 1st Deed of Trust, 6%, also some money for 2nd Deeds of Trust. Also have an out of town 1st Deed of Trust for sale bearing 6% interest, good security, with 10% discount.
